Check Them Out!

Exciting additions have been made to the Library's World Language collections. Three new non-English magazines were added to the adult collection. MGPL now has magazines in Arabic, Gujarati, Hindu, Polish, Russian, and Spanish, and for the first time Youth Services has magazines for patrons in Gujarati and Russian.

Patron suggestions helped add nine new magazines to the adult collection, covering such topics as sailing, fashion, music, and history. We are particularly excited about *Connected World*. It is aimed at "professionals looking for the latest technology."
